Batemans Bay Community Roadmap

Revision: 16 May 2024

Creating stronger organisations for a stronger community

Vision

This is where we want to be at the end of the IRCF program.

- We make a positive difference for the people in our community.
- We collaborate to strengthen our community.
- We are an influential voice in our community.
- We have skilled and engaged people working in diverse teams.
- We have a culture of innovation.
- We draw on the skills and knowledge in our community.
- We have access to long-term and affordable spaces.
- We have a valued and motivated volunteer workforce.
- We inspire resilient and sustainable climate leadership.

Principles

These principles will guide us in our work together.

- We show care and empathy for others in our work.
- We keep our passion and creativity alive through our work in our community.
- We embrace diversity in our community.
- We persist and adapt in the face of challenges.
- We respect and celebrate community wisdom and value the voices of those with lived experience.
- We deeply appreciate our place in Walbunja country between the mountains and the sea.
- We value the opportunity to contribute and be supported by our community.
- We actively share and promote what resources we have.
- We seek out positive and effective relationships with local government.
- We will be transparent and accountable with each other.
- We support and mentor each other as individuals and organisations.
